My Inspiration

Girls of the world are inspired by the women and girls who lead the way—our aunts and mothers and big sisters, our teachers and doctors, athletes like Simone Biles and Mo'ne Davis, performers like Taylor Swift, dancers like Misty Copeland, and so many others!

Who inspires you to be the best you can be?

Draw her portrait.

A large, empty rectangular box with a double green border, intended for drawing a portrait of the girl who inspires the student.

What do you admire about her? What does she inspire you to do or become?

Save the Earth!

Girls of the world work hard to honor our precious planet!
Make a list of five things you are doing or will do to help
protect our environment and the people, animals,
and plants that call Earth home.
